Frequently Asked Questions (FAQ) on CRE Points

Q: How many CRE points can I receive?

A: As this is an international conference, it falls under the international category. Please refer to the official RCI norms and guidelines for information on the points you are eligible to receive: (<https://rehabcouncil.nic.in/norms-guidelines-cre/>)

Q: Are CRE points available for attending the workshops?

A: As of now, CRE points are not available for the workshops. RCI permits the registration of programs lasting 1-3 days, and therefore, RCI registration was secured only for the three days of the main conference. The pre-conference workshops have limited capacity and were initially bundled with the conference registration. They were subsequently delinked due to high demand and numerous requests. Any changes will be communicated through an update on the website.

A: Step 1: Register on the CRE Calendar
